

Congratulations! Your business is officially loved by locals on Nextdoor.

Your neighbors voted your business a 2024 Nextdoor Neighborhood Fave!

Besides bragging rights and a trophy icon on your Nextdoor Business Page, you get the enclosed 2024 sticker to display at your place of business.

Being a Neighborhood Fave is good for business and it is great for your visibility on Nextdoor: **Winners have 290x the Nextdoor page views, 6x more recommendations, and 5x more impressions on their Nextdoor ads.**

While Neighborhood Faves is an annual celebration of local businesses like yours, we know your business plays a starring role in your neighborhood year round. In fact, neighbors tell us you're one of the top reasons they love Nextdoor, using it to share recommendations about businesses like yours, check out your deals and events, and get all of your updates.

We encourage you to continue to post from your Business Page to engage with locals who love your business.

Keep the celebration going with a post on Nextdoor including the hashtag #NeighborhoodFaves to share your big win with neighbors – and, clearly, your fans.

Congratulations again,
